

MARK THE MONTH

Don't let family and friends forget National Poetry Month (it's in April). Use the greeting card template below to remind everyone on your mailing list!

- ♥ Color the image of Fancy Nancy, adding your own embellishment (that's fancy for decoration) to the background.
- ♥ Ask an adult to help you cut around the dotted lines, make color copies of your creation, paste or tape onto card stock, and place each card in an envelope.
- ♥ Remember to personalize the cards with your signature before you send!

IT'S POETRY MONTH!

Poetry is sensational
and should be admired,
Read one poem per day this month...
even if you're tired!

With love from Fancy Nancy and
